While it is expected that there will be no change to the Fee Schedule during the course of an academic year, the School Council reserves the right to change the Fee Schedules in the event of exceptional circumstances.

Curriculum Activity Levy:

Annual Charge K-2	\$486.60 (incl \$7.30 GST)
Annual Charge 3-12	\$701.80 (incl \$10.40 GST)

The Curriculum Activity Levy is an annual charge that covers the cost of all activities that are considered compulsory to the core academic and pastoral curriculum of the school. It is payable in full notwithstanding that a student has a scholarship, bursary or other fee concession.

By consolidating these compulsory activities into one charge parents will now have greater certainty as to the annual costs of their child's education. Of course the school will continue to deliver a wide range of additional voluntary co-curricular activities and opportunities for students. Parents will continue to be able to approve their child's participation and the costs of these optional activities during the course of the year.
